

Economic Development Commission Links Page Policy

General Purpose and Permitted Links

The Economic Development Commission Links Page contains links to external websites. The Township of Montgomery's purpose for linking to these external websites is to further the goals of the Economic Development Commission and in particular, to promote the local economy.

Two types of links are included: (1) links to websites of lawfully operating, Township-based businesses, upon request of a business to have a link posted; and (2) links to the websites of local and regional governmental agencies and nonprofit organizations that offer to provide assistance to new and existing businesses.

Links to External Websites of Township-Based Businesses

Only a currently existing, lawfully operating business located within the Township may have a link to its website posted. A "business" for purposes of this policy is a corporation, sole proprietorship, partnership, limited liability company, nonprofit corporation or any other form of legally recognized business organization that provides goods or services. Businesses must be operating in accordance with all applicable laws and regulations, including but not limited to "The Land Development Ordinance of the Township of Montgomery" and its requirements governing home occupations. Linked websites may not contain any unlawful, misleading or obscene content, as those terms are defined by law. By requesting to have a link posted on the Township's website, the business agrees to comply with this policy. If a business fails to comply with this policy, the Township will immediately remove its link from the Township's website until the business is in compliance.

A business may request to have a link to its website by e-mailing the following information to planning officer at planning@twp.montgomery.nj.us or fax at 908-359-2006:

- The business's website address;
- Name, location and telephone number of the business that owns and is responsible for the website; and
- Name, address and telephone number of a contact person authorized to act on behalf of the business.

While the Township offers this service as a means to promote the local economy, the Township in no way endorses, recommends or supports these businesses or the content of their websites.
