WHEREAS, During this season of Thanksgiving - as we pause to reflect on the many blessings that have been bestowed on us as individuals and as a State - we are especially grateful for the love of our families and friends. One of the most profound ways in which that love is expressed is through the generous support provided by family caregivers to loved ones who are chronically ill, elderly or disabled. Caregivers reflect family and community life at its best. They are among New Jersey's most important natural resources; and estimated at 836,000; and

WHEREAS, The need for family caregivers is growing. We are blessed to live in a time when medicine and technology have helped us live longer. As a result, persons with disabilities are living longer and people over 85 are the fastest growing segment of our population. Family caregivers can be found in every city and town in America. It is likely that we all know at least one family caregiver; if not fulfilling the caregiver role ourselves; and

WHEREAS, Family caregivers deserve our lasting gratitude and respect. This month, as we honor the many contributions that family caregivers make to the quality of our national life, let us resolve to work through our community, religious, social, business and other organizations to offer programs and services that will provide caregivers the support and encouragement they need to carry out their vital responsibilities.

NOW, THEREFORE, BE IT RESOLVED That the Montgomery Township Committee does hereby proclaim November, 2008 as NATIONAL FAMILY CAREGIVERS MONTH in the Township of Montgomery, Somerset County, New Jersey.

Attorney Hadinger updated the Committee on the recent requests from Stonebridge and Renwood for signage. Both Renwood and Stonebridge have approached the Township about using or renting the out-parcels that the Township owns for signage. She asked the Township Committee whether or not they would like her to investigate these concepts and whether or not they would be interested in pursuing this.

Committeewoman Wilson suggested the Renwood look into using Princeton Airport's existing sign. Committee agreed with that idea.

Committee concurred that they would be interested in Attorney Hadinger looking further into the request from Stonebridge.

**ADJOURNMENT** was at 8:25 p.m. on a motion by Committeewoman Wilson. The motion was seconded by Committeeman Joye and carried unanimously.
